Unterhaltsam Von Anna D. Momentan scheint die Beschreibung zu fehlen also hier noch einmal die Zusammenfassung: He had a perfectly orderly life... William, the sixth Duke of Pelham, enjoys his punctual, securely structured life. Orderly and predictable that's the way he likes it. But he's in the public eye, and the scandal sheets will make up anything to sell papers. When the gossip papers link him to Juliette, one of the most beautiful and celebrated courtesans in London, chaos doesn't begin to describe what happens next... Until she came along... Juliette is nicknamed the Duchess of Dalliance and has the cream of the nobility at her beck and call. It's disruptive to have the duke who is the biggest catch on the Marriage Mart scaring her other suitors away. Then she discovers William's darkest secret and decides what he needs in his life is the kind of excitement only she can provide... Leider ist die Story dann doch nicht ganz so wie man es vom Covertext her erwartet, aber trotzdem gut. Es gibt Spannung und unerwartete Wendungen. Leider ist Will manchmal vllig unartig sehr hart und verletzend, das hat mich etwas gestört und die Schreibweise der Autorin ist sehr einfach, aber alles in allem ein gutes Buch. Der erste Teil in der Jewels of the ton Serie.
