Beautiful, dark and absolutely hookingVon Evil-Hellhammer-Metal-Mama-of-TwinsI have waited for this book nearly

1 year. It's the 2nd part of the pirate book serie from Bella. What can I say, it was totally worth the waiting. I have read it in 2 evenings and enjoyed it so very much. I don't want to spoil too much so there is just a short review on the content: Dimitri is the stepson of Hendrix (main char of the 1st book) and has made an awful experience in his teenage life. Hendrix left him alone after he ordered someone to kill Dimitri's mother. So the boy grows up with a lot of hate for his stepfather. Which brings us to the present. To get his vengeance Dimitri captures a woman (he thinks is Hendrix's girlfriend) from his boat and holds her at his house. To get Hendrix to attack him on land where he thinks it would be more difficult for the pirate. But it turns out that he has captured the wrong woman and also one that is equally broken as he is. Together they learn in baby steps to trust and heal each other but not without a lot of struggles. And there is also a real bad guy coming to surface, where I have to say, I enjoyed reading his death in the end very much. He deserved it. This book contains a lot of violence, sex but also romance. It's not for underage people. Thanks you Bella for this book. I really hope there will be another part coming. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut geschriebene Geschichte Von Wuukie Moderne Piraten/lichtstarkes über Hendrix Stiefsohn und Jessie. Einigkeit will sich an Hendrix für das Grauen in seiner Kindheit rächen und nimmt Jessie als Geisel ..... Flüssig geschrieben. Emotionale Charaktere ohne überladene Gefühlsduseleien. Wie alle Bella Jewel eine Garantie für eine gute Geschichte.

Kurzbeschreibung Anger and pain brought them together, but their passion might just set them free. Dimitri wants only one thing: revenge. His stepfather, Hendrix, has caused him nothing but pain and heartache. At last Dimitri can take something someone important to Hendrix and make him pay: Jess. Jess is feisty and strong headed. Her past haunts her and connects her to the dangerously dark Dimitri in an unexpected way. Dimitri keeps his secrets locked deep inside, and Jess is drawn to this broken man like no one before. With little to cling to besides their haunting pasts, both could have been doomed to lives spent raging against the darkness that holds them prisoner. Instead, it seems that as their pain draws them closer together, it is their desire and combustible passion that will set them free. Where Darkness Lies is a sizzling romance and the second book in the popular Criminals of the Ocean series.
