**Von Patricia Cabot, Meg Cabot : Where Roses Grow Wild** before purchasing it in order to gage whether or not it would be worth my time, and all praised Where Roses Grow Wild:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. THIS IS HER BEST BOOK-----Von Ein KundeI have read all of Patricia Cabot's books and this one is by far her best one. The characters are lively, the conversation is witty, and the heroine is not some wimpy miss. The hero shows vulnerability in his actions as he falls in love with her despite her connections to his brother's death. They make a great couple and kept me up till 3:00 in the morning since I could not put the book down. I also recommend her other book--An Improper Proposal--although the hero is somewhat lacking in terms of emotion in this book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful human insight for a romance novelVon Brian A. RussellI was afforded the opportunity to read a pre-press copy of this stylish new book. Patricia Cabot is the best new writer in her field that

I have read in years. She has done a wonderful job of portraying human characters in a normally unreal world ( that world of the romance). I highly recomend this book by a shining first time author.0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent First NovelVon Ein KundeThis is a wonderful book! A very funny, touching, romantic, original and well written story! Looking forward to more from Patricia Cabot!!

KurzbeschreibungAn enchanting novel by Meg Cabot, originally writing under the name Patricia Cabotreleased as an e-book for the first time!She was ruled by her head...Only one thing stood between Edward, Lord Rawlings, and a life of rakish debauchery: a spinster. Even worse, a liberal, educated vicar's daughter, guardian to ten-year-old Jeremy, the true heir to the title Edward did not want. If Jeremy would not assume dukedom, Edward must, a fate of dire responsibility and utter boredom.But this time, her heart was taking the reins.Since there had never been a female his lordship couldn't charm, Edward was sure he would win over the old girl. But Pegeen MacDougal was neither old, nor a girl-she was all woman, with a prickly tongue, infernal green eyes and a buried sensuality that drove him mad. Unfortunately, she loathed him and his class for their fripperies and complete disregard for the less fortunate. But for the sake of the boy, she agreed to accompany him back to his estate.The rise was quickly apparent. For Pegeen knew she could resist Edward's money, his power, his position...his entire world. It was his kiss, however, that promised to be her undoing...Where Roses Grow Wild.Pressestimmen"Passion, wit, warmth-thoroughly charming." --Stella Cameron, author of "Wait For Me"KurzbeschreibungAn enchanting novel by Meg Cabot, originally writing under the name Patricia Cabotreleased as an e-book for the first time!She was ruled by her head...Only one thing stood between Edward, Lord Rawlings, and a life of rakish debauchery: a spinster.
