**Von Lori Wick : Where the Wild Rose Blooms (Rocky Mountain Memories)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Where the Wild Rose Blooms (Rocky Mountain Memories):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Not your typical love story--Hurray!Von Ein KundeJackie Clay...what a great love story! However, theirs was not the only love story in this book--it was so refreshing to read how the Fontaine family loved each other, whether it be tender love or "tough love" when one of them needed a change. It was so fun to read and hard to put down. I love how Wick has

designed and written this series (Rocky Mountain Memories)--all the books are somehow intertwined, yet independently storied. This makes for very interesting reading.0 von 0 Kunden fanden die folgende Rezension hilfreich. excellentVon Ein Kundethis was the first book that i read by lori wick and it had me absolutely hooked. i smiled with the characters, cried with them, felt like i was living their life! i know my family got mad at me because i was reading it every chance i got....i just couldn't put it down! i bought the next three books in the series almost as soon as i finished it. now i have a fairly good-sized collection of lori wick's books just because this first one was SO good. i can't even describe how good it was. and they are very eye-opening. all of lori wick's books make me look at my spiritual life and wonder if i couldn't do better, like the characters in her books.0 von 0 Kunden fanden die folgende Rezension hilfreich. couldn't put it down!Von Barbara Timmins (bkagan1968@hotmail.com)I have been hooked on Lori Wick since I read Sophie's Heart, and decided to try some of her historical fiction. Now I am more hooked than ever. I didn't want to stop after every chapter - I had to know what was going to happen between Clay and Jackie and what was going to happen with Jackie's spiritual journey. Was she going to realize just how far away from God she had wandered? Was she going to realize that Clay could see it and wouldn't allow himself to get any closer until she came to some sort of realization and understanding? Every chapter left off making me want to know more! I couldn't wait to get my hands on the next in the series!

KurzbeschreibungCan love shatter her stubborn pride?In the high mountains of Colorado, Clayton Taggart dreams of the day when he can leave the rough life of a mine surveyor to become a teacher. In the midst of his plans, he meets Jackie Fontaine, a newcomer from the East whose strongwilled spirit causes friction from the start.Just as the spark of love ignites, tragedy strikes, leaving Jackie with a secret so terrible she would rather lose Clay than share it with him. Can anything draw Jackie from her selfimposed exile and open the shutters of her blinded heart?Lori Wick at her best...a tender love story set in the exciting early Westa book you wont be able to put down!KurzbeschreibungCan love shatter her stubborn pride?In the high mountains of Colorado, Clayton Taggart dreams of the day when he can leave the rough life of a mine surveyor to become a teacher.
