SeriesDestination: Book 1Author: Ginger SutterReviewer: Ingrid Stephanie JordanGenre: #PRN #Siren #Succubus #Pooka #Vampires #DragonshifterMy Score: Book 5 Stars Should be 100 Stars Well I must say we have a Great! Absolutely Phenomenal Book! I definitely recommend this Must Read Book believe me you'll love it too. Especially if you like thing hard...sigh...Only one downfall it's short....It's like all of us girls get together on a Friday night, slinging back shots, laughing at each other's silly sorry jokes, sassy innuendo's at a Bar that's Supernatural and one hell of a place to play. If only the woods in the back of the bar could tell us some whoopee stories OMG!! Orgasmic!!The Welsh Triplets, Merrick Brothers, Alec, Dylan and Noah are Dragon Shifters who were known as Sex on a Stick.Rena Karahalios is a Siren who owns Lodestone a karaoke bar.While Leine O'Quinn is a Pooka (This is the first time that I have ever heard of Pooka which is an Irish Spirit, mischievous but not malevolent). Ava Nassar is a Succubus whoneeds to eat soon. I was gifted this ARC for an honest and truthful review.

KurzbeschreibungWelcome to Gate City, Virginia, a small town with literal charms!SAVE ME...When the firehouse manned by winsome Weres, sexy Shifters, and delectable Dragonsrequires a new engine for their truck, sultry Siren and local bar proprietor Rena Karahalios,offers to organize a benefit to help raise the moneyand perhaps spread some harmlesscommunity-wide debauchery in the process...I WANT IT ALL, AND I WANT IT NOW...It took some doing, but Rena's schedule would provide the perfect balance for commingling mortals and Supernaturals without overtly risking exposure to the mortals. Then, days before the event, Rena finds herself in need of two extra bodies. Luckily, the lure of alcohol and a well-played hustle allows her to draft her two best friends, Leine O'Quinn and Ava Nassar, a Pooka and a Succubus respectively, and the crisis was averted. So, what's the event? Speeddating! The epitome of a little less talk and a lot more action! And when the room is filled withhot men and gorgeous women, the possibilities are endlessly...steamy!KurzbeschreibungWelcome to Gate City, Virginia, a small town with literal charms!SAVE ME...When the firehouse manned by winsome Weres, sexy Shifters, and delectable Dragonsrequires a new engine for their truck, sultry Siren and local bar proprietor Rena Karahalios,offers to organize a benefit to help raise the moneyand perhaps spread some harmlesscommunity-wide debauchery in the process...I WANT IT ALL, AND I WANT IT NOW...It took some doing, but Rena's schedule would provide the perfect balance for commingling mortals and Supernaturals without overtly risking exposure to the mortals.
