Von Emily Giffin : Where We Belong (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Where We Belong (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Spannend, aber etwas flachVon VielbestellerIch habe das Buch schnell gelesen, da es sehr spannend geschrieben ist und das Thema mich sehr angesprochen hat. Whrend des Lesens kamen mir einige Dinge nicht ganz realistisch vor, auch das Ende schwchte das Vorangeangene. Es hat Spa gemacht, das Buch zu lesen, hat mir aber nicht viel gegeben, da es zu oberflchlich und vereinfacht war, dadurch unglaubwrdig. Schade bei einem vielversprechenden Ansatz! Am

Schluss war ich eher enttäuscht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. typical emily Von Isabrahams love her characters; love her stories! Other people did not rate this book well - they found the story shallow characters to be flat. I totally enjoyed this story - there were moments in the book that were completely heartwarming. A heavy topic with an ultimately uplifting end. Keep them coming, Emily!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Where we belong by Emily Giffin Von Ingelore Mller A very touching novel by this great author. I liked it very much and it earns 5 stars! Highly to recommend!!

Kurzbeschreibung There's no such thing as a single secret... The brand new novel from the NEW YORK TIMES bestselling author of HEART OF THE MATTER. Marian's biological clock is ticking. She has a dream job as the producer of a hugely successful TV show, a stunning Manhattan apartment and a wonderful relationship with the man she loves. But she wants a baby - and she also has a secret. And when that secret turns up on her doorstep after 18 years, her picture perfect existence begins to take on a life of its own. Kirby is adopted. She loves her parents and her sister, but she's never really felt she fitted in. And now she's 18 there's nothing to stop her finding her birth mother. But navigating her way, alone, to New York is only the start - and as Marian soon discovers, giving birth is the easy part. **Pressestimmen** "A modern-day Jane Austen." --"Vanity Fair" "Giffin's writing is true, smart, and heartfelt." --"Entertainment Weekly" "Matters of the heart are always complicated and Giffin deftly shows you why." --"Associated Press" "Giffin excels at creating complex characters and stories that ask us to explore what we really want from our lives." --"The Atlanta Journal-Constitution" **PRAISE FOR WHERE WE BELONG** "In another surefire hit, [Giffin] serves up pathos, humor, and one doozy of a twist." --"Entertainment Weekly" "Sharply drawn characters and finely honed sensibility add up to a story that's as bittersweet as an August evening." --"Family Circle" "Book clubs will have a field day with this one. Thorny mother-daughter relationships and secrets we keep from loved ones burn up the pages." --"USA Today" "After five charming relationship-themed hits, Emily Giffin had a lot to live up to with WHERE WE BELONG. Luckily, the author executes with a thoughtful finesse that makes this easily her best work yet. [WHERE WE BELONG] is that special type of story that takes priority over getting to bed on time. And the payoff is well worth it." --"Boston Globe" "Emily Giffin ranks as a grand master. Over the course of five best-selling novels, she has traversed the slippery slopes of true love, lost love, marriage, motherhood, betrayal, forgiveness and redemption that have led her to be called 'a modern-day Jane Austen.' With Giffin's use of humor, honesty, originality and, like Austen, a biting social commentary, this modern-day 'woman's novel' sits easily on nightstands and in beach bags. Even Austen would find it hard to put down." --"Chicago Sun-Times" "Emily Giffin's new novel about the legacy of adoption, WHERE WE BELONG, imagines what happens when an 18-year-old girl tracks down her birth mother... the latest in a string of provocative, imaginative novels that began in 2004 with SOMETHING BORROWED. All the characters [here] are on a journey to find 'where we belong,' and Giffin knits together their journeys with a masterly hand." --"Seattle Times" "Emily Giffin's WHERE WE BELONG is a literary Rorschach test. The book, while thoroughly entertaining, will also prod readers to examine choices they've made in their lives. It will compel them to muse about things they'd like to do over, to do differently, to do better... [and] gracefully examines themes of identity, family and forgiveness." --"Miami Herald" "Emily Giffin has a wonderful way with words. [WHERE WE BELONG] is an emotionally powerful story that will ring true with women who have given a child away and with those who grew up wondering where they came from. Giffin may be working with a premise and plot that is fairly simple, but there's nothing lightweight about the emotional turbulence she creates." --"Ft. Worth Star-Telegram" "[Giffin] shows that real love is messy but meaningful in this delicious, easygoing read." --"American Way" "[Giffin's] novels present tough moral dilemmas all related to love. And her latest, WHERE WE BELONG, is no exception and perhaps her best yet... It's a classic Giffin tale, nuanced and messy and utterly addictive, with fully fleshed-out characters who face morally ambiguous choices that aren't resolved in neat bows." --"Austin American-Statesman" "A breezy, yet compelling read." --"Atlanta Journal-Constitution" "Emily Giffin is back with another must-read summer novel!" --"Harper's Bazaar" "The next must-read book of the summer!" --"Star" "WHERE WE BELONG is too suspenseful to be called chick lit and too relationship-centered to be labeled a thriller. But most readers will have little time to think of a genre for Emily Giffin's latest novel as they race through this gripping story about the reunion of a high school senior and the woman who put her up for adoption 18 years earlier." --"Connecticut Post" "Giffin has a way of tugging on our heartstrings while still making us laugh out loud... [a] perfect recipe." --"Woman's World" "Graceful and inviting prose, careful plotting and vivid characterizations... The coming together of two people who share a genetic heritage and little else is dramatically and emotionally risky. But Giffin makes the most of the opportunity, and WHERE WE BELONG had me riveted." --"Winston-Salem Journal" "The issue about secrets isn't about keeping them. It's the reveal and its consequences. That's the challenge faced by the characters in Emily Giffin's new, briskly paced... WHERE WE BELONG. Taking a somewhat more somber tone than she did in her [previous] bestselling novels, Giffin's approach and style mature in this latest effort." --"Philadelphia Inquirer" "Breezy and fun, this is definitely one for the beach bag!" --"All You magazine" "Giffin's latest will make you shed a few tears - and call your mom." --"Ladies Home Journal" "You're sure to spy lots of

pale-orange book covers at the beach this summer, as Emily Giffin releases her latest in a series of successful reads. The book has heart, meat and realistic characters."--am New York "[WHERE WE BELONG] delivers the readable, addicting prose we have all come to love [but] delves deeper than ever before, showing that the author is capable of making her signature style work with topics beyond typical relationships. Through Marian, her daughter and the rest of those affected by Marian's decisions, the author beautifully tackles the complex issues of sex, abortion, adoption and the difficult decisions that go along with each."--Woodbury magazine "A satisfying and entertaining read. Giffin is a gifted storyteller [and] writes smart, snappy prose that elevates this novel."--Vancouver Sun"Believable characters, [a] page-turning plot and [an] unblinking look at the choices we make as women."--WeightWatchers magazine PRAISE FOR WHERE WE BELONG In another surefire hit, [Giffin] serves up pathos, humor, and one doozy of a twist. "Entertainment Weekly" Sharply drawn characters and finely honed sensibility add up to a story that's as bittersweet as an August evening. "Family Circle" Book clubs will have a field day with this one. Thorny mother-daughter relationships and secrets we keep from loved ones burn up the pages. "USA Today" After five charming relationship-themed hits, Emily Giffin had a lot to live up to with WHERE WE BELONG. Luckily, the author executes with a thoughtful finesse that makes this easily her best work yet. [WHERE WE BELONG] is that special type of story that takes priority over getting to bed on time.
