Von Karen Kingsbury : Where Yesterday Lives before purchasing it in order to gage whether or not it would be worth my time, and all praised Where Yesterday Lives:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. A book that makes you remember your own loved ones.Von Ein KundeI loved this book. It made me think of all the people in my family who have died. It really hits close to home. It is also somewhat of a romance. It has the main character

wondering whether her old sweetheart or her husband is the man for her. This book really makes you think about your family and how you might look to others in your family. It also gives out a good message that no matter what your family will always love you but in return you must give them that love back. Overall a great book.0 von 1 Kunden fanden die folgende Rezension hilfreich. I couldn't put it down! Von Tricia Goyer, Author, Speaker Once I started reading *Where Yesterday Lives*, I couldn't put it down. I was impressed by the way Kingsbury captured human emotion and struggle. The characters were so real I felt they were part of my family. I'd highly recommend this book. In fact, I'm going to call my best friend right now and tell her about it! 0 von 1 Kunden fanden die folgende Rezension hilfreich. It was an excellent family and religiously oriented story. Von Ein Kunde This book had a great mix of family situations; the good, the bad and the ugly. It also brings the past and future together nicely, helping everyone deal with the grief of losing someone. I also liked the very important, but low key way of bringing religion into focus, without sounding preachy.

Kurzbeschreibung At thirty-one, Ellen Barrett has already won a Pulitzer prize. Sadly, though, her skill as a journalist far surpasses her ability to sort out her troubled past, so she's less than eager to return to picturesque Petoskey, Michigan, for her beloved father's funeral. When she most needs comfort, her husband is distant and her siblings antagonistic -- and the solace an old sweetheart offers is almost too much to resist. In the end, going home to the shores of Little Traverse Bay is an emotional and spiritual journey for Ellen -- a rediscovery of what is truly important and eternal in her life.
