Allerdings luft die Geschichte etwas zu glatt ab, hat keine Ecken und Kanten und verliert daher ein bisschen an Spannung. Es gibt durchaus bessere Liebesgeschichten. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ich verstehe alle Rezensenten, die erst mit Band 3 angefangen haben,... Von TinTenHertz... zum Glck habe ich durchgehalten, denn 3+4 lohnen sich wirklich :)! In diesem Band werden Intrigen gesponnen auf Soap-opera-Niveau - fr mich kaum zum Aushalten, aber da der Stil der Autorin gut ist und einem die Protagonisten (zumindest 2 davon) irgendwie ans Herz gewachsen sind, bin ich dran geblieben... Zum Glck, sonst htte ich die Folgebcher verpasst - und es ist schon eine gute Grundlage, das Vorwissen zu haben, um die Entwicklungen in 3+4 wrdigen zu knnen :)!

Kurzbeschreibung Graham Douglas was instantly charmed when he met Emma Pierce on the set of his last film, but she was superstar Reid Alexander's primary pursuit. After doing everything in his power to keep from falling for her during filming, a chance meeting in NYC gives him another shot, and this time, he's taking it. Emma Pierce sacrificed a promising Hollywood career to lead the life of a regular girl. She thought she'd conquered her feelings for the two night-and-day guys who vied for her heart while filming her last movie, until a twist of fate puts her in a coffee shop in the middle of Manhattan with the one she still misses. Brooke Cameron just survived three months on location with her beautiful, arrogant ex - Hollywood's reigning golden boy. Older and wiser, she has set her sights on her close friend, Graham, and there's only one thing standing in her way - Emma, the girl he can't forget. Reid Alexander can sum up his life in one word: boring. There's little to do aside from interviews, photo shoots, and the premiere of his last film. In need of a diversion, the last thing he expects to do is team up with his still-bitter ex to accomplish a common goal: the breakup of Graham and Emma. Game on. (Mature Young Adult / New Adult) ber den Autor und weitere Mitwirkende I write contemporary, romantic, coming-of-age fiction (Young Adult and New Adult). I'm a hopeful romantic who adores novels with happy endings, because there are enough sad endings in real life. Before writing full time, I was an undergraduate academic advisor, economics tutor, planetarium office manager, radiology call center rep, and the palest person to ever work at a tanning salon. I married my high school sweetheart, and I'm Mom to three adult kids and four very immature cats.
