Von Kaye Blue : Where You Least Expect (Thornehill Springs Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Where You Least Expect (Thornehill Springs Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great love story, genuine characters - good book!Von Hoener, BirgitI really enjoyed this one, I did not expect such depth in

the main characters in what seemed to be, from the description, a "normal" romance story. Joe, ex SEAL, is living next door to Velma, who seems to have made it her life goal to get on his nerves. Predictable outcome? Yes - but the way it is told, the way the protagonists and their strengths and weaknesses are portrayed, that makes all the difference. Both main characters are realistic, and most readers will recognise themselves, or someone they know, in one or both of them. So - we have a good plot, sympathetic and realistic characters, a great storyline and very good narration style - what's not to enjoy? As this is the first in a series, I am looking forward to reading - hopefully - more about Velma's friends; there were a couple of hints there.

0 von 0 Kunden fanden die folgende Rezension hilfreich. Lovely way to spend two hours

Von Customer I read a review on redhotbooks about the story and decided to give it a try. Well written and a lovely way to spend two hours.

Kurzbeschreibung Navy SEAL Joe MacDermid came to Thornehill Springs, North Carolina seeking peace and quiet and maybe a break from his hectic life. But his next-door neighbor Verna Love seems intent on making sure he doesn't get any of either. Verna takes pride in being a nice person, but when it comes to Joe, she just can't help herself. Getting under his skin gives her an unexplainable satisfaction, and it doesn't hurt that Joe is the picture of masculine perfection, especially when he's angry. She's smart enough to know that he'd never be interested in her, not with all her flaws, but she can't pretend that goading him isn't one of the highlights of her day. But when circumstances force the two of them together, they might find love where they least expect.
