KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Spannend und gut geschriebenVon Desmond ChildMir hat der Name Andrew E. Kaufman nichts gesagt - das Cover und die kurze Inhaltsangabe waren aber interessant und so habe ich mir das Buch als Kindle-eBook gekauft. ich wurde nicht enttäuscht. Das Buch ist sehr spannend geschrieben und verfhrt als Page-Turner zum Lesen in einem Rutsch. Die Figuren sind gut beschrieben und werden ausreichend detailliert eingefhrt. Die Geschichte macht zunchst den

Eindruck, dass es in die Richtung "Paranormal", oder "Fantastisch" abwandern könnte, was sich aber dann als Irrweg entpuppt :) Sehr zu empfehlen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. not everyone's thing Von MKR Rated this book with 5 stars because it's really good and I was often awake the whole night to finish this book. The writing style isn't bad, but this is not for the weak-nerved because the author described the murders very accurately, thus it can be a bit brutal (even for a psychic thriller). All in all the book is good. 0 von 0 Kunden fanden die folgende Rezension hilfreich. it's a easy read Von CRAIG fast and good it's like a small rollercoaster with loads of ups and downs and a good plot brilliant too read when in bed

Kurzbeschreibung TWO STRANGERS Cameron Dawson's got a past he can't seem to shake, but he's hoping to change that. He's moved back home to Faith, New Mexico and taken a job as assistant sheriff. What he doesn't realize is that his newest nightmare's about to begin. Strange things are happening. People are disappearing, and for others, it's far worse. **DISTANCE SEPARATES THEM** Miles away in Albuquerque, Kyle Bancroft's life is spinning out of control. She's seeing, hearing, and dreaming things she can't explain: Flashbacks to World War II and an eerie hospital ward with locked doors, empty gurneys, and guttural screams. To make matters worse, a ghostly green-eyed girl is complicating her visions with an urgent message: Time is running out. **A DARK SECRET CONNECTS THEM** Kyle's otherworldly encounters are driving her straight toward Faith and right into Cameron's life. The body count is rising, the pressure is mounting, and the clock is ticking as they rush to uncover a dangerous secret hiding just below the surface of this all-American town one that's threatening to destroy Faith and everyone in it. A secret they must hunt down quickly even if it costs them their own lives. **A VOICE FROM THE GRAVE WILL DRAW THEM TOGETHER** This is a new release of a previously published edition. **Kurzbeschreibung TWO STRANGERS** Cameron Dawson's got a past he can't seem to shake, but he's hoping to change that.
