**Von Nora Roberts : Whiskey Beach (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Whiskey Beach (English Edition):

Von jana Ich halte Nora Roberts wirklich für ein großes Schreibtalent, auch wenn ihre Bücher natürlich keine anspruchsvolle Literatur sind. Dieses ist allerdings sehr "von der Stange" und wirkt etwas lieblos nach Schema F. Die

männliche Hauptperson trinkt ständig eine amerikanische Limo-Markte (Produkt-Placement ich hr Dir trampen) und die weibliche ist so ein schreckliches perfektes Hausmutterchen (sie umsorgt ihren Auserwählten mit frischen Blumen im Haus, legt ein "mit flinken Händchen schnell hingezaubertes" Mahl nach dem anderen hin (mit Details, mit welchen Krutern sie was einlegt)...und formt (Kein Witz!!) aus seinen Handtüchern kleine Schwäne etc.!!! This success didn't just fall on her lap. She worked harder and longer than most for it. Even her bad books deserve at least 2 stars for that. But not this time. A method is important because it helps the author focus on creating three dimensional characters or at least a interesting story. Unfortunately neither is happening here. Eli doesn't come across as a tragic yet manly lawyer seeking truth and justice, but as a whiny teenager who's being pushed around by his formidable grandma and her equally daunting friend Abra. Abra, the multi-talented earth mother, reminded me of a steamroller rather than a sexy and confident heroine. A guy who clearly refuses a massage, from a woman he barely knows, will get it anyway and that's ok because she does such a fantastic job with it. Really? This book is just too lifeless, especially when compared to Dream Lake by Lisa Kleypas, which also features a tortured hero and a maternal heroine. And the saddest thing about it is, there's absolutely no reason for Nora to change that. She has plenty of fans now, who will buy anything she'll write. 4 von 4 Kunden fanden die folgende Rezension hilfreich. Spannend Von Madel Das Buch war spannend, ein typisches Roberts Buch in dem mehrere Geschichten ineinander verwoben sind. Vergangenheit der Hauptfigur, Gegenwart derselben Person, Vergangenheit eines Hauses mit ihren Bewohnern und der weiblichen Hauptfigur der Gegenwart. Spannend bis zum Schluss und auch die Romantik kommt nicht zu kurz, obwohl diese vorhersehbar ist.

Kurzbeschreibung Eli Landon seems to have the perfect life. A beautiful wife, a wonderful house, a dazzling legal career. But when his wife is brutally murdered after confessing to an affair, Eli is named prime suspect. After a year-long ordeal the case is dropped for lack of evidence, but Eli's world is in tatters. Abandoned by his friends, hounded by the media and a detective with a grudge, Eli retreats to the small-town sanctuary of Whiskey Beach. Camping out in his grandmother's atmospheric house by the sea he meets Abra Walsh - compassionate, courageous and hiding secrets of her own. But as Abra and Eli take their first tentative steps towards each other, a deadly enemy is watching them from the shadows. An enemy determined to make sure Eli Landon will never have that 'perfect life' - whatever the cost . . . Pressestimmen Roberts delivers another dazzler.
