Von Emilie Richards : Whiskey Island before purchasing it in order to gage whether or not it would be worth my time, and all praised Whiskey Island:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Must ReadVon Claire NewlandWhiskey Island delivers what we've come to expect from this excellent author-- finely-drawn characters, an exceptional concept, and terrific plotting. Like jewels, she artfully arranges these elements in a perfect setting displaying each of these to their best advantage. Whiskey Island is also rich in detail. The depth of the author's knowledge is intricately woven into an unforgettable story of Irish immigrants and their struggle for a better life on the docks and in the factories of Cleveland. Whiskey Island promises a great story with memorable characters-- and it delivers!0 von 0 Kunden fanden die folgende Rezension hilfreich. A secret kept for over a centuryVon C. M. ChenWhiskey Island is the compelling story of the Donaghue sisters whose past is full of pain but whose history is

about to be traced back to three men whose love for Lena Tierney irrevocably sets in motion a chain of events that lead to a terrible tragedy and a horrifying scandal. Niccolo Andreani, a former priest, agrees to transcribe the journal kept by Father Patrick McSweeney who valiantly tended to his flock of Irish immigrants over a hundred years ago. Niccolo finds himself with more questions than answers when he comes into contact with the Donaghue sisters, the little girl under their protection, and the old man who harbors the truth to a murder that took place years ago. An old man who might be their father. Richards has crafted a powerful story as she allows readers to become acquainted with characters from the present as well as the past. The length of this novel is appropriate because it gives the author the means of exploring the lives of the Donaghues of the present and, more importantly, the struggle endured by the Tierneys. A tragic struggle witnessed years ago by their best friend, Rowan Donaghue, and counseled by their priest, Patrick McSweeney. The characterizations, drawn by Richards, of all these people are strong and distinctive. Her audience will be swept away by the powerful history of Whiskey Island and the intrigue of its present state. Furthermore, the author has so intricately intertwined the two to create a story whose development will have you turning pages in anticipation and feeling bittersweet, yet satisfied, with its conclusion. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent work that transcends genre Von Ein Kunde In the dark parking lot of Cleveland's Whiskey Island Saloon, two would-be carjackers threaten sisters Casey and Peggy Donaghue and their charge Ashley. Former priest Niccolo Andreani is passing by when he sizes up the situation and intervenes to keep everyone from being hurt. Niccolo is grazed even as the police capture the two thugs. Casey and Peggy's older sister Megan, owner of the bar, is very thankful for Niccolo's help. However, she rejects his notion that a homeless person also assisted them. An obsessed Niccolo cannot resist trying to find the homeless person. He wants to help the man because he is filled with guilt from his failure to assist another homeless individual who froze to death. As Niccolo and Megan become acquainted they fall in love, but neither knows how to trust. At the same time, Ashley's abusive father is closing in on the child and her protectors. The mystery of the identity of the homeless person leaves the siblings to wonder if he may be their dad. Though filled with mystery, intrigue, and romance, WHISKEY ISLAND is a superb relationship drama that deserves a wide readership. The story line is loaded with several subplots that all tie back to the main tale. The characters feel genuine and their motives seem so real that Cleveland appears more alive than Drew Carey or Jacobs Field has ever painted the city. Emilie Richards shows why she is so revered and should be back in her familiar spot on the bestseller lists. Harriet Klausner

Kurzbeschreibung Once a struggling community of Irish immigrants, Lake Erie's Whiskey Island has a past as colorful as the patrons who frequent the Whiskey Island Saloon. A local gathering place for generations, the saloon is now run by the Donaghue sisters, whose lives and hearts have been shaped by family tragedy and a haunting mystery. When an act of violence sets the wheels of fate in motion, Megan Donaghue, a woman unwilling to trust in love, and Niccolo Andreani, a man unwilling to trust in himself, are determined to learn the truth about one fateful night in the family's long-forgotten past. As an old man struggles to protect a secret as old as Whiskey Island itself, a murder that still shadows too many lives is about to be solved with repercussions no one can predict. Pressestimmen Emilie Richards is "a storyteller who uses multidimensional players to lend credibility to storybook situations". -- The Cleveland Plain Dealer Kurzbeschreibung Once a struggling community of Irish immigrants, Lake Erie's Whiskey Island has a past as colorful as the patrons who frequent the Whiskey Island Saloon. A local gathering place for generations, the saloon is now run by the Donaghue sisters, whose lives and hearts have been shaped by family tragedy and a haunting mystery. When an act of violence sets the wheels of fate in motion, Megan Donaghue, a woman unwilling to trust in love, and Niccolo Andreani, a man unwilling to trust in himself, are determined to learn the truth about one fateful night in the family's long-forgotten past.
