Von J.A. Konrath, Jack Kilborn : Whiskey Sour - A Thriller (Jacqueline "Jack" Daniels Mysteries Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Whiskey Sour - A Thriller (Jacqueline "Jack" Daniels Mysteries Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. If You

like Your Heroines Tough and Your Drinks... Von Miki101. Micha ... stiff, mix Yourself a triple Whiskey Sour - A Thriller (Jack Daniels Mysteries) - (or take the threesome: Jack Daniels Series - Three Thriller Novels (Whiskey Sour #1, Bloody Mary #2, Rusty Nail #3)) - recipe always at the beginning of the thriller - and start with a new series. And yet better if You like Jack Daniels - because that's the name of our more than tough, forty-something protagonist, Lieutenant in the Chicago Homicide Squad. Had been there, seen it all, caught a lot more... And this is the first thriller of a series that reached his (momentary) height with Stirred (Jacqueline "Jack" Daniels/Luther Kite Thriller) where a Super Serial Killer meets our - quasi - indistructable and beloved Detective... But that's an entirely different story... In this thriller Lt. Jack Daniels is hunting the "Gingerbread Man" - some nice human (?) being who hunts, tortures, kills and ... vulnerable young women. The and... Yes, that You have to find out by Yourself - like Jack, who attracts the attention of our bad boy a little bit too much... "Whiskey Sour" is one of those books You want to read and finish without being interrupted by Your yelping dog, Your scratching cat, Your yelling spouse etc... You will simply want to finish it. And continue with the series! You will find everything a good thriller should have: Frights, wits, black humour and all the twists and turns a good mystery needs. So have a good read and - Cheers! 0 von 0 Kunden fanden die folgende Rezension hilfreich. die spteren Bcher dieser Reihe gefallen mir besser Von Nefret Whiskey Sour ist der erste Teil der Thriller-Serie um Jackie Daniels. J. A. Konraths Romane dieser Reihe darf man nicht zu ernst nehmen, hier geht es vorrangig um albernen Spa. Die Persnlichkeiten der Tter sind meist nicht besonders herausgearbeitet, sie morden in erster Linie nur blutig und pervers. Die Motive sind holzschnittartig dargestellt. Es mag an meiner momentanen Stimmung liegen, aber Whiskey Sour konnte mich nicht so sehr mitreien, wie die spteren Bcher der Reihe. Die Einfle sind nicht ganz so aberwitzig, ich hatte das Gefhl, dass sich Konrath hier erst noch aufwrmen muss. Als Auftakt zur Serie ist das Buch aber ein guter Einstieg. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Witty and gritty Von Honest Reviewer This is the first in a string of thrillers starring Lieutenant Jacqueline Jack Daniels. A bit surprising how the humourous tone and the gruesome torture scenes fit together, I first thought the author should have made up his mind which direction to take but after a while I really noticed that the style of the novel is indeed very entertaining. The female protagonist is a mixture of Kathy Reichs' heroine Tempe Brennan and Harlan Coben's Myron Bolitar in my humble opinion and is quite likable. I will definitely continue reading this series, it does not set any new standards but keeps you turning the pages anyway.

Kurzbeschreibung Lieutenant Jacqueline "Jack" Daniels is having a bad week. Her live-in boyfriend has left her for his personal trainer, chronic insomnia has caused her to max out her credit cards with late-night home shopping purchases, and a frightening killer who calls himself 'The Gingerbread Man' is dumping mutilated bodies in her district. While avoiding the FBI and its moronic profiling computer, joining a dating service, mixing it up with street thugs, and parrying the advances of an uncouth PI, Jack and her binge-eating partner, Herb, must catch the maniac before he kills again... and Jack is next on his murder list. Whiskey Sour is the first book in the bestselling Jack Daniels series, full of laugh-out-loud humor and edge-of-your-seat suspense. From Publishers Weekly Except for her name-Jacqueline Daniels (and, yes, she's known by her colleagues at the Chicago Police Department and by her friends as "Jack Daniels")-there's not an original trope in this competent, fast-paced thriller by newcomer Konrath. A lieutenant investigating a particularly gruesome series of homicides, Daniels is like every other hard-boiled fictional cop-obsessed with work, afraid to commit emotionally and overcaffeinated. The other characters also follow formula: her partner is an overweight glutton with a heart of gold; her boss is tough but fair; the federal agents assigned to help her are territorial, superior and ineffectual. And the criminal himself, a serial killer who calls himself the "Gingerbread Man," only differs from others of his ilk in his methodology, not his psychology. He tortures and kills attractive young women, leaving their mutilated bodies in public places. Konrath, who has "performed improvisational comedy" according to his bio, likes to toss off one-liners, and while they're occasionally clever, they lend a jokey tone that jars with the seriousness of the almost gratuitously horrific crimes. Reading like an ill-conceived cross between Carl Hiaasen and Thomas Harris, this clich-ridden first novel should find a wide audience among less discriminating suspense fans.
