Each of her books makes it seems as if you are right there with the characters.In this book Dex meets Caitlan during and interview at his uncle's ranch.

There is an immediate attraction. The only thing is her age. But soon age is nothing but a number and they get married fast. Caitlan is torn between the love of her life and the love of her father. She chooses her father but never stops loving Dex. On her father's death bed he reveals a secret to bring Dex and Caitlan back together again. Now they try again to rekindle the love that they once had. But Dex is scared to give his heart back to Caitlan for fear that she will throw it away again. But love conquers all and the passion between them is too strong for Dex not to take notice. He falls hard once again. This is such a great book you will not be disappointed with any of Mrs. Jackson's books. Also she gives you a sneak peak of another one her great books with Trevor and Corinthian (Fire and Desire). 0 von 0 Kunden fanden die folgende Rezension hilfreich. awesome and powerful and very well written Von andrea williams I had heard many wonderful things about the Madaris brothers so I couldn't wait to read this book. This love story if you would like to call it that was excellent. The author described everyone so well I have a clear and vivid picture of everyone in the Madaris family and friends as well. I love the way the author ties the other characters into the present book of which you are reading. It's like being a part of the Madaris world. My only question is are there any real men like the ones Brenda Jackson writes about? If so where are they. Excellent book Brenda and I can't wait to start reading your other books. Caitlin's father should have told her before he was on his death bed about them not being divorced. But, better late than never. When they got together the second time, I think Dex knew this was a more mature Caitlin. She was very smart and could hold her own. Dex was a successful businessman. He worked even harder when he thought he had lost her. I am glad they worked everything out. Jordan was an added joy. Another Great story by Ms. Jackson
