KurzbeschreibungMyahMy life literally changed in the blink of an eye. I was happy, I was whole... and then my father died. Since then I haven't been the same. I've been battling inner demons as well as the ones on the outside--my mother the evilest of them all. It's time to take control of my life and Kyle Cooper makes me believe that I can.KyleI've been half in love with Myah Wilks for as long as I can remember. She's short and sassy--or she was until tragedy struck. Changes in her life left an opening for me, the one I've been waiting for and I'm jumping--with both feet. This amazing girl has more fight in her pinky than most people do in their whole body... she just needs to be reminded. She also needs to purge those demons and let her secrets go. Maybe, just maybe, she'll let me in and trust me with her whispered truths.KurzbeschreibungMyahMy life literally changed in the blink of an eye. I was happy, I was whole... and then my father died. (Though one day soon I hope to move to southern California!) Im an avid reader who gets inspired by reading the stories from my favorite authors as well as listening to various types of music. I am a huge fan of music, chocolate, fruit, desserts, autumn, M. Shadows, Avenged Sevenfold, and Milo Ventimiglia. Through my books, I am proudly creating new Avenged Sevenfold and Milo Ventimiglia fans one reader at a time. I absolutely love interacting with readers and invite you to contact me any time via email: Anne@AnneMercierAuthor.com. The best part of being an author, to me, is being able to take the reader to that one place they long to go when they need to escape reality. Knowing I can do that, for even one reader, makes what I do worthwhile. ~ Anne Mercier
