Von Lori Wick : Whispers of Moonlight (Rocky Mountain Memories) before purchasing it in order to gage whether or not it would be worth my time, and all praised Whispers of Moonlight (Rocky Mountain Memories):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Enchanting, and full of the love of God.Von DorothyanneWispers of Moonlight was excellent. Lori Wick certainly knows how to portray God, they way she sees Him. The way that the characters in this book were so filled with the

Holy Spirit was wonderful to see. The plot was good, although quite exhausting when the main characters never really met head on with their problems and openly discussed them. I think it was really wrong for Rebecca to leave the way she did, and I liked the way Travis searched for her. They should have talked before such big mistakes were made, but I think the time away from each other did them good. It gave Rebecca room to grow and Travis had time to change before having Rebecca back. I think this book is really wonderful, and I recommend it to any one who really wants to see God's love and the way it works in our lives.0 von 0 Kunden fanden die folgende Rezension hilfreich.

DisappointingVon Ein KundeI've heard so many wonderful things about Lori Wick's books, and recently read "Pretense," which I thought was very good. It whetted my appetite for more. "Whispers of Moonlight," however, was a disappointment. After a while, the story seemed so circular, and it made for very frustrating reading. The characters were not believable on the whole. With the exception of Rebecca (who was exasperating in her pig-headedness), the characters who experienced changes in their lives seemed to do 180-degree turnarounds instantaneously. It just seemed too good to be true. I am left wondering which of these books is more representative of Lori Wick's writing. I am hesitant to spend the time to find out.0 von 0 Kunden fanden die folgende Rezension hilfreich. Really BadVon Ein KundeThis was probably my least favorite of all Lori Wick's books. It was just terrible, I grew to hate Rebecca and I felt that the plot became pointless. Lori Wick's her writing style is poor, making sentences come out corny, or childish sounding, and she always has all her characters be perfect, making every book more like a fairy tale about the enchantingly beautiful princess and her handsome, dashing prince. No one is really like that! It's so unbelievable! This book particularly is a disappointment.

KurzbeschreibungWhen Travis and Rebecca marry, rumors quickly spread that he has done so only for her dying fathers ranch. Confused and convinced that Travis can never truly love her, Rebecca strikes out on her own. She disappears to make a new life for herself in a town far away, but her friends there are few, and life is hard. When desperate circumstances drive Rebecca home to Travis, she can see the change in the man she left behind. In her absence, he has grown from a roughhewn cowboy to a confident rancher. Still, her wounded heart is hesitant. Is she more afraid to love or to be loved?KurzbeschreibungWhen Travis and Rebecca marry, rumors quickly spread that he has done so only for her dying fathers ranch. Confused and convinced that Travis can never truly love her, Rebecca strikes out on her own. She disappears to make a new life for herself in a town far away, but her friends there are few, and life is hard. Still, her wounded heart is hesitant. Is she more afraid to love or to be loved?ber den Autor und weitere MitwirkendeLori Wick is a multifaceted author of Christian fiction. As comfortable writing period stories as she is penning contemporary works, Lori s books (more than 6 million in print) vary widely in location and time period. Lori s faithful fans consistently put her series and standalone works on the bestseller lists. Lori and her husband, Bob, live with their swiftly growing family in the Midwest."
