**Von Jayne Ann Krentz : White Lies: Number 2 in series (Arcane Society)** before purchasing it in order to gage whether or not it would be worth my time, and all praised White Lies: Number 2 in series (Arcane Society):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Sehr guter LesestoffVon fannywoWie man es von JAK erwartet.Als Clare der Bitte hres Vaters folgt und nach Arizona fliegt, findet gerade eine Party statt. Dort trifft sie Jake Salter den "Finanzberater". Dass diese Bezeichnung eine Lge

und sein Name eine Halbblut ist, ist für Clare den menschlichen Lgendetektor leicht zu erkennen. Allerdings sieht sie das Lgen im Allgemeinen als berlebenswerkzeug, damit die Menschheit zivilisiert miteinander umgehen kann. Beim ersten "richtigen" Date ahnt der Leser wie sein Name lautet, vor allem wen man *Second Sight* (= Verzaubertes Verlangen) gelesen hat. Er ist wie sie ein Level 10\* Exot. Ein Jger, der für JJ eine Verschwörung aufdecken soll. Sie müssen zusammenarbeiten und einander vertrauen, als Clare eine weitere Leiche findet. Am geistigen Inhalt kann ich nichts bemngeln. Der Punktabzug geht voll und ganz zu Lasten des britischen Piatkus Verlages, denn diese Taschenbuchausgabe ist schon in einer sehr kleinen Schrift gedruckt und der Preis ist auch etwas höher, als mir lieb ist. Fazit: Die Arcane-Serie ist definitiv lesenswert.

**Kurzbeschreibung** Petite, thirty-something Clare Lancaster is a gifted psychic and a 'human lie detector.' Over the years she's come to accept that someone with her extraordinary talents is likely to have trouble in the relationship department. And she's even resigned herself to the fact that everyone, to one degree or another, hides behind a faade...Until recently, Clare had never had much to do with her estranged father, Archer Lancaster, so when he summons her from California, she is reluctant to say the least. But after meeting Jake Salter, Archer's financial consultant, Clare is convinced that things aren't what they seem. Something sparks and sizzles between them - something more than just casual flirtation between a man and a woman. Caught in a dizzying storm of secrets, lies, and half-truths, Jake and Clare must work together in an investigation that demands every bit of their special gifts - together they must overcome their mutual distrust in order to unravel a web of conspiracy and murder. From Publishers Weekly This spirited paranormal romance is the latest in Krentz's Arcane Society series (which includes some novels, like the recent *Second Sight*, written as Amanda Quick). Clare Lancaster, like her parents and grandparents, is a member of the clandestine Arcane Society, an association of parasensitives who are dedicated to the study of the paranormal. Clare's extraordinary abilities as a human lie detector make even other paranormals uneasy, with the exception of her half-sister Elizabeth. Elizabeth's troubled marriage brings Clare to Arizona and into the family circle. There, Clare finally meets Archer Glazebrook, her biological father, but she also meets Jake Salter, another highly talented parasensitive who turns out to be on assignment from Jones Jones (the investigative arm of the Arcane Society) to track down a possible plot to take over the society. The cabal he's after has some connection to the still-unsolved murder of Clare's objectionable brother-in-law months before. More murders follow, and Jake and Clare have to work together to save themselves and the society. Krentz delivers another evocative romance, complete with engaging dialogue and explicit sex scenes, but the real meat of the plot concerns the sleuthing: that a charismatic alpha male finally meets his mate is icing on another densely plotted Krentz confection. (Jan.) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. From Booklist As a level 10 para-sensitive, Clare Lancaster can tell for certain when someone is telling the truth. So Clare knows that her half-sister, Elizabeth Glazebrook, isn't lying when she says her husband, Brad McAllister, is trying to kill her. But Brad is murdered instead, and as the first person to find his body, Clare becomes the Stone Canyon Police Department's favorite suspect. With no evidence to tie her to the crime, Clare is allowed to return to her old life in San Francisco. But six months later, her father, Archer, summons her back to Phoenix. Her unique gift tells her not only that there is more to her father's new business "consultant" Jake Salter than he would like her to believe but also that she is in grave danger. Writing as Amanda Quick, Krentz introduced the Arcane Society, a group dedicated to psychic research and investigation, in *Second Sight* (2006), her latest historical romance. Now Krentz successfully brings the concept into the present in a seductive, sharply witty, and paranormal-flavored thriller in which she deftly infuses an expertly crafted plot with sizzling sexual chemistry between two intriguing protagonists to create another of her supremely addictive tales of romantic suspense.
