Von Judith Tarr : White Mare's Daughter (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised White Mare's Daughter (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Rich, meaty, and fascinating!Von Ein KundeJudith Tarr never fails to deliver the best in historical and/or fantasy fiction. WHITE MARE'S DAUGHTER is her most ambitious book to date, and exemplifies Tarr's dedication to accuracy as well as topnotch storytelling. If you like Jean Auel's books, you'll love this one . . . if you enjoy excellent historical

adventure ala Mary Renault, this one will go on that special shelf that's all too short. Complex and realistic characters, and truly wondrous horses written by someone who really KNOWS horses!0 von 0 Kunden fanden die folgende Rezension hilfreich. Some sort of meatinessVon Ein KundeGood writing, but I found it hard to stomach the male slave element (Beefy, dim-witted, beautiful, well-endowed and submissive men serving wise women) and the contrast between the advanced Goddess-lead society and the primitive society of raping savages that follow male gods? Simplistic and bizarre, too bad.

KurzbeschreibungIn the dawn of time, women ruled, and the people had no word for war. Then the horsemen came.Sarama is the last of the White Mares servants, descended from an ancient line conquered long ago by warrior tribes. Her father is the king of one such tribe. Her twin brother Agni is the kings heir. But she is heir to an older world, and a different way.A sacred vision calls the White Mare westward, and Sarama follows. There she finds a land where women rule, and men serve, and their language has no word for war. But the horsemen are coming. Sarama must choose between her own people and the people whom she has come to love, and find a way to save them both.KurzbeschreibungIn the dawn of time, women ruled, and the people had no word for war. Then the horsemen came.Sarama is the last of the White Mares servants, descended from an ancient line conquered long ago by warrior tribes. Her father is the king of one such tribe. Her twin brother Agni is the kings heir. But she is heir to an older world, and a different way.A sacred vision calls the White Mare westward, and Sarama follows. There she finds a land where women rule, and men serve, and their language has no word for war. But the horsemen are coming. Sarama must choose between her own people and the people whom she has come to love, and find a way to save them both.Synopsis The saga of Sarama, the beautiful, headstrong young priestess of a nomadic warrior band. Her majestic white horse is the earthly incarnation of the goddess Epona; her fateful odyssey to a great city where women still rule, unleashes an epic clash of cultures that changes the course of history.
