Von Wayne Gilbertson : White Slave: A Novel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised White Slave: A Novel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Das Titelbild suggeriert eine andere StoryVon MPS41Dies ist eine interessante Story im ostafrikanischen Milieu. Eigentlich ist es ein interessanter Krimi mit vielen Landschaftsschilderungen zu der die Entführung einer weien Wissenschaftlerin den Hintergrund bildet. Mir wurde das Buch von einem UNESCO - Mitarbeiter empfohlen, sonst

htte ich wohl eher eine reine Sexstory erwartet. Wer das sucht ist hier aber falsch.

Kurzbeschreibung In East Africa, shrinking herds of wild game have become national treasures worthy of protection. Law enforcement efforts have forced poachers to focus on a less protected cash crop: young, white women with well-shaped bodies. The poachers supply women for a third world sex industry where white prostitutes sell for many times the going rate. A brothel-keeper will sell a woman over and over again, until she goes mad, commits suicide, or dies of disease. The narcotics trade pales in comparison to this lucrative business. When a female university student disappears without a trace, from an archaeological site in the Gol Mountains of northern Tanzania, her family retains a retired bounty hunter, Eli Walking Bear, to find her. Eli begins his search in Nairobi where he hires a guide, Jena Howell of Howell Safaris--a woman with her own cross to bear. Eli's quest takes an unexpected turn when he rescues Zuleika, a black female slave with a thirst for revenge. The hunt for the kidnapped woman takes Eli and Jena into the very guts of the sex slave trade, where the law is inept or corrupt, the criminals brutal, and everyone's hand is against them. "White Slave" received honorable mention recognition in the genre fiction category of Writer's Digest 15th Annual International Self-Published Book Awards. Selected from a field of over 400 entries, it was promoted in the 2008 March/April issue of Writer's Digest.
