Von Fern Michaels : Whitefire before purchasing it in order to gage whether or not it would be worth my time, and all praised Whitefire:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. a classic that stood the test of timeVon Ein KundeDuring the reign of Ivan the Terrible as Czar of Russia, Mongol BanyanAmur rapes Cossack Katerina "Kat" Vaschenko. She hides the incident from herfamily; however, she is caught in a naked embrace with a Russian emissary trying to obtain horses from the Cossacks. Her father believes that Kat has sold the

horse breeding secrets in exchange for a little flesh. Kat becomes isolated from her clan which turns out to save her life when a dastardly raid by the Tereks kill her entire family and steal the prize horses. Kat vows revenge and journeys across the Ural Mountains to ask her uncle, Khan Afstar for his help. Once she arrives at his camp, she meets Banyen, who fails to recognize her, though she knows who he is. Afstar gives Kat some prisoners, and assigns Banyen's men to be trained as Cossacks so that they can help regain the lost horses. Though the return trip is treacherous and the training potentially dangerous, Banyen and Kat fall in love with each other. However, this is not the land of TV's Luke and Laura. Instead, a rape, an insane Czar, and a herd of horses stand in the way of a lasting relationship. This is a reprint of a 1978 classic, written under a different name by the renowned Fern Michaels. Two decades later and this classy historical romance passes the test of time with high marks because the reader can still taste the various ethnic cultures that made up Eastern Europe.Harriet Klausner0 von 0 Kunden fanden die folgende Rezension hilfreich. Cry, but don't be ashamedVon ChrissyThis book makes every pore in my body want to cry. It's a battle of wits and pride between the heroine (kat) and the hero. It is by far the best book written by Fern Michaels. It takes place in an interesting time nad makes you wish you a bystander to watch all this happen. Read it!0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely great!!! Loved this book!!!Von Ein KundeWhiteFire by Fern Michaels is wonderful. Although Russia is not my favorite setting for books, this one is an exception. From word go you fall in love with Katerina. She is wonderful as a character. You have to read this one for a really great book!

KurzbeschreibungIn an age of unspeakable savagery and unbridled passion, forbidden love sparks wild adventure in #1 New York Times bestselling author Fern Michaels's unforgettable novel. . . Katerina Vaschenko possesses the courage and beauty of her wild Cossack ancestors. Now she seeks vengeance against the marauders who destroyed her village and stole her priceless snow-white horses in the name of the mad czar. Nor will she rest until she has killed the man who dared to take her innocence. Never does she dream that it is her irresistible seducer--a proud Mongol prince--who will help her avenge her people and reclaim her horses. Together, they harness the fires of fury and passion that consume them. And, together, they forge a destiny as magnificent as the land and the love that is their glorious heritage. . . .
